

# Quiz Bowl Practice Questions

## Does your team measure up?

Now you can expand your team's brainpower and pull a "head" of the competition.

Each year, the Great Auk creates thousands of new short-answer questions for use in academic competitions across America and around the world. These Pristine Questions are of impeccable quality and widely diverse subject matter. During the school year, distribution of Pristine Questions is tightly restricted. But, every summer, His Aukness releases these questions to all coaches wanting a superb practice resource for their students.

**Senior Knowledge Bowl** - 3200 short-answer high school questions.

**Junior Knowledge Bowl** - 1600 short-answer questions for 7th-9th grades.

**Elementary Knowledge Bowl** - 800 short-answer questions for 4th-6th grades.

Along with the questions, you also get the power to select them randomly, or by topic and difficulty level. You can print the questions with answers or with separate answer keys. Plus, on-screen activities provide constructive practice for your students.
